Sec. 11. Section 490.704, Code 2013, is amended to read as follows:

490.704 Action without meeting.

1. Unless otherwise provided in the articles of incorporation, any action required or permitted by this chapter to be taken at a shareholders' meeting may be taken without a meeting or vote, and, except as provided in subsection 5, without prior notice, if one or more written consents describing the action taken are signed by the holders of outstanding shares having not less than ninety percent of the votes entitled to be cast at a meeting at which all shares entitled to vote on the action were present and voted, and are delivered to the corporation for inclusion in the minutes or filing with the corporate records.

~~2. A written consent shall bear the date of signature of each shareholder who signs the consent and no written consent is effective to take the corporate action referred to in the consent unless, within sixty days of the earliest dated consent delivered in the manner required by this section to the corporation, written consents signed by a sufficient number of holders to take action are delivered to the corporation. A written consent may be revoked by a writing to that effect received by the corporation prior to the receipt by the corporation of unrevoked written consents sufficient in number to take corporate action. Except in the case of a public corporation, the articles of incorporation may provide that any action required or permitted by this chapter to be taken at a shareholders' meeting may be taken without a meeting, and without prior notice, if consents in writing setting forth the action so taken are signed by the holders of outstanding shares having not less than the minimum number of votes that would be required to authorize or take the action at a meeting at which all shares entitled to vote on the action were present and voted. The written consent shall bear the date of signature of the shareholder who signs the consent and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.~~

~~3. If not otherwise fixed under section 490.703 or 490.707,~~

If not otherwise fixed under section 490.707 and if prior board action is required respecting the action to be taken without a meeting, the record date shall be the close of business on the day the resolution of the board taking such prior action is adopted. No written consent shall be effective to take the corporate action referred to therein unless, within sixty days of the earliest date on which a consent delivered to the corporation as required by this section was signed, written consents signed by sufficient shareholders to take the action have been delivered to the corporation. A written consent may be revoked by a writing to that effect delivered to the corporation before unrevoked written consents sufficient in number to take the corporate action are delivered to the corporation.~~

4. A consent signed ~~under~~ pursuant to the provisions of this section has the effect of a meeting vote and may be described as such in any document. Unless the articles of incorporation, bylaws, or a resolution of the board of directors provides for a reasonable delay to permit tabulation of written consents, the action taken by written consent shall be effective when written consents signed by sufficient shareholders to take the action are delivered to the corporation.

~~5. If this chapter requires that notice of proposed action be given to shareholders not entitled to vote and the action is to be taken by consent of the voting shareholders, the corporation must give all shareholders written notice of the proposed action at least ten days before the action is taken. The notice must contain or be accompanied by the same material that, under this chapter, would have been required to be sent to shareholders not entitled to vote in a notice of meeting at which the proposed action would have been submitted to the shareholders for action.~~

~~6. Prompt notice of the taking of corporate action without a meeting by less than unanimous written consent shall be given to those shareholders who have not consented in writing. If~~

~~the taking of that corporate action requires the giving of notice under section 490.1320, subsection 2, the notice of the action shall set forth the matters described in section 490.1322.~~

5. a. If this chapter requires that notice of a proposed action be given to nonvoting shareholders and the action is to be taken by written consent of the voting shareholders, the corporation must give its nonvoting shareholders written notice of the action not more than ten days after any of the following:

(1) Written consents sufficient to take the action have been delivered to the corporation.

(2) Such later date that tabulation of consents is completed pursuant to an authorization under subsection 4.

b. The notice must reasonably describe the action taken and contain or be accompanied by the same material that, under any provision of this chapter, would have been required to be sent to nonvoting shareholders in a notice of a meeting at which the proposed action would have been submitted to the shareholders for action.

6. a. If action is taken by less than unanimous written consent of the voting shareholders, the corporation must give its nonconsenting voting shareholders written notice of the action not more than ten days after any of the following:

(1) Written consents sufficient to take the action have been delivered to the corporation.

(2) Such later date that tabulation of consents is completed pursuant to an authorization under subsection 4.

b. The notice must reasonably describe the action taken and contain or be accompanied by the same material that, under any provision of this chapter, would have been required to be sent to voting shareholders in a notice of a meeting at which the action would have been submitted to the shareholders for action.

7. The notice requirements in subsections 5 and 6 shall not delay the effectiveness of actions taken by written consent, and a failure to comply with such notice requirements shall not invalidate actions taken by written consent, provided that this subsection shall not be deemed to limit judicial power to fashion any appropriate remedy in favor of a shareholder adversely affected by a failure to give such notice within the required time period.

Sec. 12. Section 490.705, subsections 1 and 5, Code 2013,

are amended to read as follows:

1. A corporation shall notify shareholders of the date, time, and place of each annual and special shareholders' meeting no fewer than ten nor more than sixty days before the meeting date. The notice shall include the record date for determining the shareholders entitled to vote at the meeting, if such date is different than the record date for determining shareholders entitled to notice of the meeting. If the board of directors has authorized participation by means of remote communication pursuant to section 490.709 for any class or series of shareholders, the notice to such class or series of shareholders shall describe the means of remote communication to be used. Unless this chapter or the articles of incorporation require otherwise, the corporation is required to give notice only to shareholders entitled to vote at the meeting as of the record date for determining the shareholders entitled to notice of the meeting.

5. Unless the bylaws require otherwise, if an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or must be fixed under section 490.707, however, notice of the adjourned meeting must be given under this section to ~~persons who are shareholders as of the new record date~~ entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

Sec. 13. Section 490.707, Code 2013, is amended to read as follows:

1. The bylaws may fix or provide the manner of fixing the record date or dates for one or more voting groups in order to determine the shareholders entitled to notice of a shareholders' meeting, to demand a special meeting, to vote, or to take any other action. If the bylaws do not fix or provide for fixing a record date, the board of directors of the corporation may fix a future date as the record date.

2. A record date fixed under this section shall not be more than seventy days before the meeting or action requiring a determination of shareholders.

3. A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the board of directors fixes

a new record date or dates, which it must do if the meeting is adjourned to a date more than one hundred twenty days after the date fixed for the original meeting.

4. If a court orders a meeting adjourned to a date more than one hundred twenty days after the date fixed for the original meeting, it may provide that the original record date continues in effect or it may fix a new record date or dates.

5. The record date for a shareholders' meeting fixed by or in the manner provided in the bylaws or by the board of directors shall be the record date for determining shareholders entitled both to notice of and to vote at the shareholders' meeting unless, in the case of a record date fixed by the board of directors and to the extent not prohibited by the bylaws, the board, at the time it fixes the record date for shareholders entitled to notice of the meeting, fixes a later record date on or before the date of the meeting to determine the shareholders entitled to vote at the meeting.

Sec. 14. NEW SECTION. **490.709 Remote participation in annual and special meetings.**

1. Shareholders of any class or series may participate in any meeting of shareholders by means of remote communication to the extent the board of directors authorizes such participation for such class or series. Participation by means of remote communication shall be subject to such guidelines and procedures as the board of directors adopts, and shall be in conformity with subsection 2.

2. Shareholders participating in a shareholders' meeting by means of remote communication shall be deemed present and may vote at such a meeting if the corporation has implemented reasonable measures to do all of the following:

A shareholders' list for voting must be similarly available for inspection promptly after the record date for voting. A shareholder, or a shareholder's agent or attorney, is entitled on written demand to inspect and, subject to the requirements of section 490.1602, subsection 3 4, to copy ~~the~~ a list, during regular business hours and at the person's expense, during the period it is available for inspection.

3. The corporation shall make the ~~shareholders'~~ list of shareholders entitled to vote available at the meeting, and any shareholder, or a shareholder's agent or attorney, is entitled to inspect the list at any time during the meeting or any adjournment.

4.
